MONIQUE HARVEY GOES WEST

ROOSTER AND OTHER THINGS/COQ ET AUTRES CHOSES. Oil on canvas, 40 x 30 in.

Monique Harvey's art – vivid colours on large canvasses – has long been familiar to collectors in eastern Canada. Touted as one of the most promising young artists to emerge in recent years, she has had solo exhibitions in Toronto, Montreal, Ottawa, Quebec City and in the Charlevoix region. She has also shown her work in Fort Lauderdale, Florida.

She is not as well known in western Canada but that is soon to be remedied. She has solo shows scheduled at Loch & Mayberry Fine Art in Winnipeg from December 7 to 21, and at Masters Gallery in Calgary from March 15 to 29. **I**
